Re: Name change from Wild Ones Jo Daviess County Chapter to Wild Ones Tri-State Driftless Area Chapter

Dear Mary,

Your request to change the name of the Wild Ones Jo Daviess County Chapter to Wild Ones Tri-State Driftless Area Chapter has been approved by the Executive Director.

After receiving confirmation from your chapter's board, updates will be made to Wild Ones website, the Tri-State Driftless Area Chapter website and the member account site. It is incumbent upon you to inform your chapter's members of the change and update any other chapter assets. To keep your chapter's online profile current, please share any updated URLs/links by clicking the Edit icon next to all relevant fields listed on the profile page: https://members.wildones.org/chapter-profile/?chapter_id=1162.

You will also need to contact your bank to ensure that the chapter's account information is updated. Please let us know how the chapter is identified at your bank. Provided there are no changes to the chapter's bank account number, no updates will need to be made in Ramp (Wild Ones online payment processing system).

Information about Wild Ones updated branding can be found here: https://branding.wildones.org/ As you update the chapter's name on various assets, be sure to update the chapter's logo, colors, fonts, etc. as applicable.

If you have any questions or if any issues arise, please contact support@wildones.org.

Wishing your chapter and members continued success in their work to share Wild Ones mission and transform landscapes across Tri-State Driftless Area.

Best regards,

Jennifer Ainsworth
